Drink (coffee, tea, lemonade, coke)		
Animal (dog, cat, rabbit, mouse, lion)		
Ice Cream (vanilla, chocolate, strawberry)		
Music (rock, pop, country, rap, hip hop)		
Sport (football, soccer, baseball)		
Day of the Week (Monday, Tuesday, Wednesday)		

What do you want your tutor to help you with most? _____

After talking with the student, what goals do you think are achievable in a six-week timeframe? For example, simple number facts, finishing a book, learning the 10 x table, knowing sight words. Talk to your student and from the information that they have provided, work out one or two goals you would both like to achieve. Remember, these goals must be realistic.

Goal 1: _____

Goal 2: _____
