

## Take Notes

The more you write about what you are learning, the more you will understand and remember important information and details. The style below will help you take effective notes in class. It was developed by a professor named Walter Pauk at Cornell University. Learning to take good notes is a learned skill that will ensure your success in school. Please take the time to familiarize yourself with this strategy through daily practice.

*"Tell me and I forget, Show me and I remember, Involve me and I understand." -Chinese Proverb*
